## For Lease

### For the aviation companies

**Given the growing competition within the aviation industry, low to medium scale operators are now forced to expand operations into remote and isolated areas throughout PNG.**

Available at the Vanimu Airport is this double storey office space and hangar with total floor space of about 960m<sup>2</sup> and additional yard space of about 1,026m<sup>2</sup>. The landlord is willing to negotiate and will also consider non-aviation business interests.
